

## Video Files

---

- Video 1.1 Physical Examination of the Shoulder
- Video 2.1 Beach Chair Positioning
- Video 2.2 Use of the Mechanical Arm Holder in the Beach Chair Position
- Video 2.3 Arthroscopic Knot Tying
- Video 3.1 Deltopectoral Approach
- Video 3.2 Low Deltopectoral (Anteroinferior) Approach
- Video 3.3 Anteromedial Approach
- Video 3.4 Posterior Shoulder Exposure
- Video 3.5 Anterosuperior Approach
- Video 4.1 Proximal Humerus Fracture Internal Fixation
- Video 4.2 Reverse Shoulder Arthroplasty for Proximal Humerus Fractures
- Video 5.1 Acromioclavicular Joint Reconstruction
- Video 5.2 Sternoclavicular Joint Reconstruction
- Video 6.1 Open Rotator Cuff Repair
- Video 6.2 Arthroscopic Rotator Cuff Repair
- Video 6.3 Arthroscopic Repair of Subscapularis Tears
- Video 6.4 Arthroscopically Assisted Lower Trapezius Transfer for Cuff Tears
- Video 6.5 Superior Glenohumeral Capsule Reconstruction
- Video 6.6 Arthroscopic Removal of Calcific Shoulder Deposits
- Video 6.7 Suprascapular Nerve Decompression
- Video 6.8 Biceps Tenodesis
- Video 7.1 Open Capsular Shift
- Video 7.2 Arthroscopic Bankart Repair
- Video 7.3 Coracoid Transfer for Anterior Shoulder Instability (Latarjet Procedure)
- Video 7.4 Posterior Bone Block for Instability
- Video 7.5 Repair of the Superior Labrum Tears, Anterior to Posterior (SLAP Repair)
- Video 8.1 Arthroscopic Capsular Release
- Video 9.1 Anatomic Total Shoulder Arthroplasty
- Video 9.2 Reverse Shoulder Arthroplasty
- Video 9.3 Reverse Arthroplasty with Latissimus Dorsi and Teres Major Transfer
- Video 9.4 Placement of Antibiotic-Loaded Cement Spacer
- Video 9.5 Revision Shoulder Arthroplasty
- Video 9.6 Reverse Shoulder Arthroplasty in Cases With Bone Loss
- Video 9.7 Glenoid Bone Grafting for Revision Reverse Shoulder Arthroplasty

- Video 10.1 Arthroscopic Scapular Bursectomy and Partial Scapular Resection
- Video 11.1 Glenohumeral Arthrodesis
- Video 11.2 Scapulothoracic Arthrodesis
- Video 12.1 Shoulder Immobilizers: Instructions for Patients
- Video 12.2 Shoulder Physical Therapy: Instructions for Patients
- Video 12.3 Subacromial Steroid Injection
